Title: Team Apollo News

Date: November 2010

---

November 2010: It's the end of the year for the Team Apollo event team, and, all in all we've had a great year.

Apollo's State Secret – IS A STAR !!!

Her results speak for herself and she really is practically perfect in everyway.

She has qualified for the Badminton Grass Roots Finals in 2011 which was our objective in 2010 and I couldn't have asked any more of her.

She is a very sensitive, special horse who requires clever and sympathetic handling even 6 years on. She still checks carrots and apples for signs of poison before eating, and only allows 'certain' individuals into her space. But we love her to bits and she has a home for life with us.

#### Apollo's Secret Liaison

Leo has shown a mixed bag of results and we think he is more suited to a Dressage Only home. However he is still with us and perhaps 2011 will see him grow up and become the star we think he should be.

He has qualified for the Dressage Regional Finals in February and needs to go to Addington to compete. Prior to this I have decided to geld him to see if this gives him some more oomph!!!! Fingers crossed.

#### Carthago MR

Harvey, Sally's new horse took to a change in career from show jumping to eventing well and she is looking forward to the new season as he continues to improve at home.

#### Apollo's Salvadore

Salvadore continues to go from strength to strength and has recently qualified for the Dressage Winter Regionals at elementary level.

#### Apollo's Eye of the Tiger

I have also now bought a new horse at Addington Performance Horse Sales ..... Watch this space for details.....
