Dear Rider

The Thursday lesson 'I Want the X (c) factor has now come to an end.

In replacement of the above, I am planning to run a new training course culminating in a MEC Competition to be held on September 14<sup>th</sup>; the course is entitled – 'Combined Training for All'. This lesson would also benefit those people who have expressed an interest in competing in a One Day Event (ODE), there is one to be held at Solihull Riding Club in September, and in the summer holidays, Middleton Equestrian Centre's will host its first ever ODE, (more details to follow).

Combined Training is a mixture of dressage and show jumping, with the winner being the person to finish both disciplines, on the least amount of penalties. I am therefore starting to train for this competition as follows:

Thursday 22<sup>nd</sup> June 2010, and weekly thereafter

Juniors 6.00 – 7.00, £30.00 own horse, £35.00 MEC horse/pony  
Seniors 7.00 – 8.00, £30.00 own horse, £35.00 MEC horse

If there are not enough participants then the class will be amalgamated at 7.00pm for an hour. You will be advised of this on a weekly basis.

Please find enclosed the first dressage test that we will study and practice. The show jump element will vary each week. Please also find enclosed a poster detailing the event.

Please book via reception as early as possible.

Thanks and I look forward to seeing you on the 22<sup>nd</sup>.
