Dear Sir/Madam

At Middleton Equestrian Centre we now have the facility to help pupils who are taking their Leisure and Tourism/Hospitality exams.

We can offer an educational customer care talk, which has been well received by all schools and pupils to date. To make the visit more interesting we offer a 1 Hour Group Riding Lesson, for up to 8 pupils @ £20 per head, the Customer Care Talk is included in this price, this is a Special Offer Rate, as lessons are usually £22.50 without the follow up class room sessions. Teachers can ride free.

We can take up to eight pupils at a time, or arrange the visit to accommodate more pupils if necessary based on your individual requirements. Handouts will be included for pupils to help with their exams.

An example agenda for the day is detailed below :
